

Certificate of Internship Completion

This document certifies that Zhanxu Ye, in fulfillment of the requirements of the internship program, has successfully completed an internship in the field of Data Analysis at Huijue network. The internship duration was from September 1, 2023 to October 1, 2023, conducted remotely.

During the internship, Zhanxu Ye effectively engaged in and contributed to various data analytics projects. Key contributions and learnings include:

- Advanced data analysis techniques and utilization of analytical software tools.
- Collaboration in a remote team environment, demonstrating strong communication and teamwork skills.
- Development of comprehensive data reports and insights that supported key project initiatives.

Zhanxu Ye's commitment to professional growth and contribution to our data analysis projects was commendable. The skills and experience gained are a testament to his dedication and are expected to significantly contribute to his professional development.

We extend our best wishes to Zhanxu Ye for all future academic and career endeavors.
