

## Internship Certificate

This is to certify that Zhanxu Ye has been working as a Software Development Intern in our company from June 1, 2023 to August 1, 2023. During this period, Zhanxu Ye was engaged in our Software Development department and was responsible for the following tasks:

- Participating in the design, development, and testing of software products.
- Assisting in coding, debugging, and documentation.
- Joining team meetings and collaborating with project team members to solve development issues.
- Completing other related tasks assigned by superiors.

Throughout the internship, Zhanxu Ye demonstrated excellent professional skills and teamwork. His programming abilities, problem-solving skills, and quick learning capacity for new technologies were highly valuable to our team. Zhanxu Ye has shown a serious and responsible work attitude, and has established harmonious relationships with colleagues, proving to be a trustworthy and commendable team member.

We appreciate the contributions of Zhanxu Ye to our company and wish him greater success in future academic and professional pursuits.
